**Call to order**: Jason called the meeting to order at 7:00 pm

**Acceptance of July meeting Minutes:** motion by Todd second by Bill

**Treasurers Report:**

FastTrack Business Checking - $17,569.27

Huntington Business Premier MMA - $66,424.16

Total - $83,993.43

- Todd - 2026 Shoot Expenses: $73,530.89
- Shawn Spindel said everything should be reconciled for 2026 and will be sending OSCA the final tally.
- Alan Jones - $23,000 should have been expensed on our 2025 taxes instead of added to the balance sheet. Will need to see if we can correct on 2026 taxes.
-
- **2026 State After Shoot Discussions:**
- Joyce said only complaint was that a shooter from Michigan didn't get a shooter gift, but he didn't shoot the main event.
- Sean mentioned that there was a question asking to clarify Lewis Class payouts - ultimately resolved because Scorechaser automatically dictates payouts.
- One shooter was given in-state trophy, only to find out they are no longer a current resident

**2026/2027 Board Election:**

- Sean Alley elected as president, motion by Todd, second by Jake
- Jeff Miller will take over Secretary position from Sean, Todd motions, Jason seconds
- Todd remains at Treasurer, Jason remains at Vice President

**New Business:**

- Jason mentioned we could potentially donate to Ohio youth teams through Midway Foundation – money is tax-deductible and they would match a portion of what we donate.
- Joyce suggestion for target setter Ryan Quigley for 2027 State Shoot. Doug mentioned that Joe Skull is already scheduled, Cory Howell will do sub-gauge
- Make A Break will work with Atlas Traps so they can be in attendance at 2027 State Shoot
- Alan spoke about his research into any rules/requirements for board members and whether they need to be an Ohio resident. Alan summarized that from his findings the NSCA does not currently have a regulation that limits anyone from being a board member based on residence, nor do they have to step down from a current position, even if they reside out of state.
- There are some updates to our By-laws that need to be officially updated with NSCA, more discussion/clarification to come.
- Alan Jones mentions we need to discuss the target fees and a possible increase as we have held the same cost for over 10 years - tabled for next meeting
- Alan Jones wanted to confirm we are moving forward with the 501-C7 and will work on getting that done so that OSCA will finally be a non-profit organization.
- Zach suggests tee shirts as a shooter gift for 2027 state shoot, discussion tabled
- Doug asks if an enclosed trailer might be a good raffle item for 2027 State Shoot, maybe sell advertising spots to help pay for it? Some kind of requirement that the winner would need to keep all advertising on for 1-year, discussion tabled.
- Sean asked if there is merit in splitting payouts between in-state and out of state winners? Discussion about options, tabled.
- James asks about vendor sponsorship and how to know who to approach. Both Shawn Spindel and Jake Spengler said it is ultimately up to the club. Board asks James to keep us informed of who they will approach so that efforts will not be doubled.
- Jake asks if there is a way to issue a tax credit for donations/in-kind donations once we become a non-profit? Alan Jones said not really because we will be a C7, not a C3 which would allow that.
-

**<u>Action Items</u>**

- Alan Jones to continue working on 501-C7 filing
- Board to work on updating By-Laws with NSCA

**Adjourn:** Meeting adjourned by Sean at 7:58 pm
