**Ladies Trophy:** Sean brought up continued concern from a shooter that previously voiced concern as to why no specific lady trophy for the main event at the state shoot. \$105,000+ gross balance - \$86,000 in CDs - \$26,000 in checking account

Todd said we have to pay some taxes due to making too much money last year

Jason Rambo suggested giving \$10k to youth shooters/teams

Bill Elliott – suggests creating a 2<sup>nd</sup> tier shoot/event that every club could host, Jake mentioned it could be problematic based on shoot schedules

Sean suggested Shell Shuckerz toll, but concern that it may only benefit auto shooters and not O/U

Could purchase shells for and golf cart for raffle in advance and give away more than 1 prize for 2026

Golf Cart is \$8,500.00 - Shells \$10,000

Discussion tabled until next meeting

**2027-2028 Bid Form: Kacey**

Shawn Spindel suggested adding verbiage "OSCA recommends using Scorechaser as the dedicated scoring system" and requesting add'l range info and map of grounds.

Shawn asked for language to be added to be able to increase the entry fee for the 2<sup>nd</sup> year due to rising costs/inflation?

Kacey to update accordingly, bid form will be sent to all clubs in Ohio for consideration.
